People are my God!

### Internship for People House, Kolkata

Around the World Bicycle Tour for HIV/AIDS Awareness Programme was started by Mr.Somen Debnath in 2004. He has been travelling around the world on the bicycle for 12 years now and has covered a distance of 137900 kilometers creating awareness on HIV/AIDS. Mr.Debnath is a resident of the village of Basanti, West Bengal. Mr. Debnath's goal is to cover 191 countries until 2020 covering 200,000km around the globe and reaching nearly 20 million people.

### About People's House:

People's House is located in Kolkata, West Bengal, India. It was Mr.Somen Debnath's dream to make a house in the most creative way from every single contribution and support he has received from worldwide. Every contribution and support received from 2004-2012 was gathered up in building a house for all friends and family all over the world.
